THE PROPERTY

Briars has just undergone a major renovation and extension creating a unique country house successfully mixing original features with contemporary design. The heart of the house is the new kitchen with dining and living area. It is fitted with modern high gloss units with quartz worktops. Fitted appliances include a NEFF microwave, 2 NEFF ovens, hob and Bosch dishwasher. There is flooring throughout the house, including stone tiles to the kitchen and family room. There are Victorian style ceramic tiles in the utility, cloakroom and rear lobby. The two bathrooms have fully tiled walls and marble flooring. Reception rooms will be carpeted. The heating is oil fired with underfloor heating in the kitchen/breakfast/living area, rear lobby and cloakroom. The rest of the house has contemporary radiators. There are three open fireplaces in the house including one in the utility room, ideal for wet dogs and raincoats.

OUTSIDE

The whole area outside the house has been hard landscaped with attractive brick retaining walls and paths. The main garden is south facing and seeded for a new lawn. There is a two bay oak framed car port at the end of the garden. All three reception rooms look out on the south facing garden. There is a courtyard area on the west side of the house ideal for evening sun. The property is directly opposite the pedestrian entrance into "The Chase" a beautiful area of National Trust Woodland with a lake in the middle.
