

Brunsdén
ASSOCIATES 

Honey Cottage, East End, Newbury, RG20 0AG

GUIDE PRICE: £680.000 - FREEHOLD

An enchanting detached character cottage situated in a lovely village, offering a cosy and comfortable feel

Entrance hall, sitting room, kitchen, dining room, conservatory/garden room, cloakroom, 2 bedrooms, family bathroom, detached double garage with studio above

THE PROPERTY

The property was originally one of a pair of gardeners' cottages to the Malverleys Estate and benefits from many character features. The accommodation comprises two storeys. A canopied porch leads to an entrance hall where there is a cloakroom with plumbing for a washing machine, doors to the kitchen and dining room as well as stairs to the first floor. The kitchen was designed and built by Optiplan and includes an Alpha range cooker (also serves hot water and heating). This room extends into a traditional style hardwood conservatory/garden room which has views across to the garden. The sitting room has a wealth of exposed beams and brickwork and a central multistove. This room flows seamlessly into the dining room which has a brick fireplace feature with beam over (not operational).

On the first floor there is a family bathroom fitted with a white suite. Further steps leads up to two large bedrooms both with built-in-cupboards and both enjoy views over the garden.

OUTSIDE

The property is approached via a gravel drive with five bar gate which leads to an area of parking and a detached garage which has two bays and a studio above, accessed via an external staircase. The garden brings colour and scent and is backed by woodland. There are numerous fruit trees, and vegetable patch as well as a paved sun terrace. The garden extends to approximately 0.25 acres.

LOCATION

Enjoy the best of both worlds – life in a quiet village with the beautiful Wayfarer's Walk on the doorstep, yet only a relatively short drive away from the A34/M4. Nearby Woolton Hill offers a good range of facilities including a shop/post office and a public house. Local schools are excellent and there is a lively community spirit if you are the type to join in, and peace and quiet if not! Newbury is about 5 miles north with all major shopping facilities and mainline station to London (Paddington). Road networks are good with access to the M4 (J13) and to the south, there is access to the M3 (J6) and from Whitchurch the train line to London Waterloo.

DIRECTIONS

From Newbury town centre head south-west leaving the town on the Andover Road (A343). After leaving Newbury take the first turn signposted Ball Hill where you will see the Woodpecker Pub on the right hand side. Continue along this road for approximately 2 miles and after entering Ball Hill, pass the Furze Bush Public House, on the right and continue along this road taking the 1st left hand turn just after the garage. Staying on this road pass East Woodhay Villlage Hall and turn left heading towards East End Village where the property is located on the right past the East Woodhay Cricket Club.

COUNCIL TAX

We have been informed by Basingstoke & Deane Borough Council that the property is in **Band F** with tax payable of **£2,158.27** for the period 2017/2018.

SERVICES

Mains water and electricity, private drainage. Oil fired central heating.

Energy Performance Certificate

Honey Cottage, East End, NEWBURY, RG20 0AG

Dwelling type: Detached house
 Date of assessment: 20 November 2015
 Date of certificate: 23 November 2015

Reference number: 9444-2800-7295-9725-3795
 Type of assessment: RdSAP, existing dwelling
 Total floor area: 104 m²

Use this document to:

- Compare current ratings of properties to see which properties are more energy efficient
- Find out how you can save energy and money by installing improvement measures

Estimated energy costs of dwelling for 3 years:	£ 4,578
Over 3 years you could save	£ 2,529

Estimated energy costs of this home			
	Current costs	Potential costs	Potential future savings
Lighting	£ 303 over 3 years	£ 189 over 3 years	
Heating	£ 3,507 over 3 years	£ 1,572 over 3 years	
Hot Water	£ 768 over 3 years	£ 288 over 3 years	
Totals	£ 4,578	£ 2,049	You could save £ 2,529 over 3 years

These figures show how much the average household would spend in this property for heating, lighting and hot water. This excludes energy use for running appliances like TVs, computers and cookers, and any electricity generated by microgeneration.

Energy Efficiency Rating

The graph shows the current energy efficiency of your home.

The higher the rating the lower your fuel bills are likely to be.

The potential rating shows the effect of undertaking the recommendations on page 3.

The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

Top actions you can take to save money and make your home more efficient
