The Old Shop, Trade Street, Woolton Hill, Newbury, RG20 9UJ

Offers Over: £700,000 – Freehold.

An interesting part-thatched village house formerly 'The Old Post Office and Bakery' now in need of updating, with extensive outbuildings and grounds providing further potential. There may be a possible building plot within the grounds subject to planning.

Covered porch, entrance hall with beams, cloakroom, dual aspect reception room with brick built fireplace, dining room with wood burner, kitchen, further reception room with access to further rooms and utility area, five bedrooms, en suite bathroom and dressing room/bedroom 6, family bathroom, courtyard with outbuildings comprising former bakery with original ovens, stable, storerooms, shed, three carports (in need of repair), gravel driveway, extensive grounds of c.38 acre backing onto open land.

THE PROPERTY

A charming detached period house with many original features offering potential for improvement. The accommodation is arranged over two floors with three reception rooms, kitchen, further range of rooms currently used as storage with access door to the courtyard. There are five/six bedrooms and two bathrooms on the first floor.

OUTSIDE

An impressive gravel driveway to the side of the property provides parking for several vehicles and leads into the courtyard, with a range of interesting outbuildings and a well (not working). The gardens are to the side and rear, mainly laid to lawn with a range of mature trees and hedges. The generous plot backs onto the village field with views to the church beyond and measures approximately c.38acre.

DIRECTIONS

From Newbury take the A343 Andover Road and continue out of Newbury, after passing under the Bypass continue to the crossroads and turn right to Woolton Hill. Pass the Church Hall on the left and take the second turning on the left into Trade Street. The Old Shop will be found on left hand side easily identified by the Brunnsden 'For Sale' board.

THE LOCATION

Woolton Hill is a highly desirable village some 5 miles to the south of Newbury. It has all the requirements for daily living with a health centre, village shop/Post Office and pub/restaurant. There is excellent walking, cycling and riding in the surrounding countryside. Communications via road and rail are well served with the A34 about 1 mile away offering access to the north to J13 of the M4 and also south to J6 of the M3. From Newbury Station (4 miles) trains into London Paddington in about 1 hour. From Whitchurch (about 7 miles) trains into London Waterloo in just over 1 hour. Southampton Airport is approx 35 miles and Heathrow 45 miles.

COUNCIL TAX

We have been informed by Basingstoke & Deane Borough Council that the property is Band F £2,284.16 payable for 2018/2019.

Use this document to:

- Compare current ratings of properties to see which properties are more energy efficient
- Find out how you can save energy and money by installing improvement measures

Estimated energy costs of dwelling for 3 years:

Over 3 years you could save	£ 7,767
Over 3 years you could save	£ 3,525

Estimated energy costs of this home

	Current costs	Potential costs	Potential future savings
Lighting	£ 321 over 3 years	£ 324 over 3 years	<div style="background-color: #008000; color: white; padding: 10px; transform: rotate(-45deg); display: inline-block;"> You could save £ 3,525 over 3 years </div>
Heating	£ 6,717 over 3 years	£ 3,687 over 3 years	
Hot Water	£ 729 over 3 years	£ 231 over 3 years	
Totals	£ 7,767	£ 4,242	

These figures show how much the average household would spend in this property for heating, lighting and hot water and is not based on energy used by individual households. This excludes energy use for running appliances like TVs, computers and cookers, and electricity generated by microgeneration.

Energy Efficiency Rating

The graph shows the current energy efficiency of your home.
 The higher the rating the lower your fuel bills are likely to be.
 The potential rating shows the effect of undertaking the recommendations on page 3.
 The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).
 The EPC rating shown here is based on standard assumptions about occupancy and energy use and may not reflect how energy is consumed by individual occupants.

Top actions you can take to save money and make your home more efficient

Recommended measures	Indicative cost	Typical savings over 3 years
1 Internal or external wall insulation	£4,000 - £14,000	£ 672
2 Floor insulation (solid floor)	£4,000 - £6,000	£ 366
3 Hot water cylinder thermostat	£200 - £400	£ 489

See page 3 for a full list of recommendations for this property.
